

Relay race

How many children can participate: minimum 6 children, two teams of equal size.

Materials needed: two flags, scarves, gloves, hats, umbrellas.

Game description:

Each team sits in a row behind the starting line. At 15 meters will sit two flags. On the starting line it is placed two schoolbags as follows: a hat, a scarf, gloves, and umbrella.

At the starting line a child from each team opens the schoolbag, takes the hats, relates the scarf around his neck puts the gloves on and opens the umbrella, then runs to the flag, surrounds it and returns to the starting line, closes umbrella and strips all the equipment. The next child from his team continues the game and takes the schoolbag and places himself behind the row.

The team that finishes the stripping of the equipment and puts the schoolbag on the starting line wins the game.
